Requirements:

Applicants for licensure as an **advanced practice registered** nurse shall:

1. Submit to the division an application on a form prescribed by the division, and pay to the division a fee determined under Section 63-38-3.2.
2. Be in a condition of physical and mental health, which will allow the applicant to practice safely as an advanced practice registered nurse.
3. Hold a current registered nurse license in good standing issued by the state or be qualified at the time for licensure as a registered nurse.
4. Have earned a graduate degree in nursing or a related area of specialized knowledge as determined appropriate by the division in collaboration with the board.
5. Have completed course work in patient assessment, diagnosis and treatment, and pharmacotherapeutics from an education program approved by the division in collaboration with the board.
6. Have successfully completed clinical practice in psychiatric and mental health nursing, including psychotherapy as defined by division rule, after completion of the masters degree required for licensure, to practice within the psychiatric and mental health nursing specialty.
7. Have passed the examinations as required by division rule made in collaboration with the board, and be currently certified by a program approved by the division in collaboration with the board and submit evidence satisfactory to the division of the certification, and meet with the board, if requested, to determine the applicant's qualifications for licensure.
8. Be currently certified by a program approved by the division in collaboration with the board and submit evidence satisfactory to the division of the certification; and meet with the board, if requested, to determine the applicant's qualifications for licensure.
